1.	Comment. It is definitely expected that the members of the 1930 class will be discharged in the fell of this year. In view of Order No 80 by the Defense Minister of the U.S.S.R., dated 5 September 1953, it is even possible that the 1931 class, the majority of whose members was inducted in the spri of 1951, will be discharged by 1 January 1954. Since the induction of the 1934 class and deferred members of senior classes cannot make up for the reduction resulting from the discharge of the 1930 and 1931 classes, it is expected that the strength of the units will decrease after the fall of 1953.	es s. lle ng
